publisher s introductory back in the eighteen and early nineteen hundreds there were a group of men known as the plymouth brethren these men had

many writings and many of them were taken from lectures given in many areas and at different times during this era some were given in different languages and then translated into english i have taken many of these writings and messages and formatted them so they could be read on tablets and phones in other words they are in epub and mobi formats i have set up indexes with headers and have enabled text to speech i then run them through a checker to make sure the ebook format is without errors in doing this i have produced a high quality product for a very low price these are not just scanning of old writings but have been completely redone by hand i started doing this for my own private use i found there were others who wanted them also so after praying about it and contacting publishers who already got permission to use all these writings and lectures i too got permission via email which i have on file i now have over 230 of these writings in ebook format on amazon for the kindle and on google play for the android os hopefully this number will keep increasing as time goes on
